HANOI UNIVERSITY

FACULTY OF INFORMATION TECHNOLOGY

CALL FOR PAPERS

17th Student Conference on Information & Communication Technology (SCICT 2025)
May 10th, 2025, Hanoi University, Hanoi (Vietnam)

Scope

After the great success of the previous SCICT conferences, we are pleased to announce the 17th Student Conference on Information & Communication Technology (SCICT 2025). This conference is an excellent forum for researchers and practitioners to exchange ideas, experiences, opinions and research results relating to Information and Communication Technology.

The SCICT 2025 conference will be held on May 10, 2025, at the Faculty of Information technology of Hanoi University (HANU).

Topics of interest

The program committee encourages the submission of articles that communicate applied and empirical findings of interest to higher education professionals. Topics of interest include, but are not limited to, the following topic areas:

- · Natural Language Processing
- · Multimedia & Pattern Recognition
- · Evolutionary Learning
- · Information Security
- · Biomedical Information Processing
- · Knowledge Representation and Reasoning
- · Data Mining & Big Data

- Information System Engineering
- Knowledge Management
- System Engineering
- Software Systems Engineering
- Web Services
- Cloud Computing, Computing Models
- Human Machine Interaction
- Fuzzy Logic and Application

Publications

All accepted papers will appear in the conference proceedings and be available for accessing in the FIT's portal of Hanoi University.

Important Dates

Submission deadline: April 15th, 2025

Author notification: April 25th, 2025

Conference date: May 10th, 2025

Awards

The SCICT Program Committee will select the winners for the Best Student Paper awards and the Best Poster for exhibition awards.

Submission guidelines

Students of the Faculty are invited to submit original and unpublished papers, which are not under review in any other conference or journal. All papers will be peer reviewed by the program committee based on their originality, significance, methodological soundness, and clarity of exposition.

Submitted papers must be written in English and should be in Microsoft Word format. They must follow the instructions given by Hanoi University

(attached file).

Submissions must be between 7 and 10 pages (A4 size), incorporating the title page (title, abstract and keywords), all text, references, figures and tables. These guidelines are strict: papers failing to adhere to the guidelines (by being more than 10 pages, altering margins or not following the template) will be rejected without consideration of their merits.

Submissions imply the willingness of at least one author to register, attend the conference, and present the paper.

Authors' papers should be summited by emailing to the address **tungvns@hanu.edu.vn**

The organizing committee looks forward to welcoming you all to a fruitful conference with open discussions and important networking to promote high quality study and research.

Why you should attend?

SCICT 2025 provides you with unique benefits such as High-Quality Conference Materials, Conference Experience, Pre-Conference Abstract Reviewing Process, Certification, Awards, Recognition, and Publication Benefits, etc. The conference provides you with different Registration Packages with many benefits specific to your presentation category (Presenter/Attendee/Virtual) for the conference. Please refer to the important dates to have insight into the deadlines.
